

A COACH WILL IMPACT MORE PEOPLE IN ONE YEAR, THAN THE AVERAGE PERSON

Calvert Football Presents the 2017 Cavalier Coaches Conference

It's awesome to watch a coach in his/her element. To witness them utilizing their craft and talents to leave a significant impact on the hearts of so many young people brings us great joy. The intent to grow lives into greatness through youth sports is a common goal that resonates throughout the Southern Maryland area, and we are always looking for ways to support that notion. Furthermore we also embrace the opportunity to spend time with those who are on the front lines with tomorrow's high school athletes. In hopes to continue our support of youth programs in the area, the Cavalier football staff is hosting a Coaches Conference were coaches can come and share in great ideas and refreshments. We hope that you can find time in your busy schedules to join us! – Calvert Football
